

# Husky Happenings

Week of:  
October 5<sup>th</sup>- 9<sup>th</sup>

## Curriculum Update:

**Testing will take a bulk of our days M-Th. Please have your child here on time and feed them a good breakfast. Get a good night sleep. We recommend allowing them to bring a 2<sup>nd</sup> health snack for testing days.**

**Reading:** Students will continue to look at the elements of non-fiction texts. Including text features, how to read non-fiction books and what are the different types of non-fiction text.

**Writing:** We will continue practicing our opinion writing and editing our short opinion journal entries.

**Math:** We will be working on multiplication through word problems so we can practice using those strategies. Your students should study their facts. You can find the multiplication facts booklet on Edmodo for extra practice or use the practice tracking sheet I sent home this past week. It is up to your student as long as they are practicing. We are all working towards our goal of understanding multiplication and division within 100.

**Social Studies:** We are continuing our study of our government at the local, state, and national levels. We will also work on map skills.

**Science:** We will start to study fossils after we finish our social studies unit. Our science lab day is Wednesday the 7<sup>th</sup> and we will be making our very own fossil!

## Class information/dates to remember:

- [Reward your child's hard work by treating them during testing](#)
- Noah's Birthday is 10/11
- [Classroom Volunteers Needed](#)
- We are 4<sup>th</sup> for our grade in the PTA membership contest. It would be awesome if we could raise our 70% participation up to 100%
- [Please sign up for a convenient Parent-Teacher Conference time by clicking the link.](#) **Note:** If you received a hot pink page that scheduled your child's conference already you DO NOT need to sign up online. I have taken those slots out to accommodate sibling conference times.
- Thank you for those who came out to Cheeky on Thursday night! It was great to see you all!
- No homework next week again- Only Reading for 20 minutes and practicing math facts. Check edmodo.com for extra credit and practice if you feel your student would benefit from it.
- Picture retake day is 10/12
- **If you are a Veteran or have a family or friend who is please submit a short bio and picture by 10/15 for our Veteran wall at Murdock. (Please include the branch served)**

## School news:

- Due to multi grade level testing from September 29<sup>th</sup> – October 8<sup>th</sup>, we will not be able to accommodate visitors or volunteers in the building. Thank you so much for your understanding and cooperation.
- Celebrating 40 Years of Excellence Party @ Murdock, Friday, October 30. Please see the flyer for details.
